NROCRC celebrates 25 years with new logo

NROCRC

Community Resource Centre
Nepean • Rideau • Osgoode • 25 years

This year NROCRC celebrated 25 years serving the Nepean, Rideau and Osgoode communities.

NROCRC has come a long way since 1990 when a small group of civic minded community members formed a plan to help provide much needed services to this community. At our October Annual General

Meeting, Mayor Jim Watson honoured our team with a certificate of recognition for the many years of dedicated service to NROCRC's clients.

Long time supporter and former president, Patricia Pepper spoke warmly of her years with NROCRC and the significance of the graphic design on the NROCRC logo; gold for the wheat in the fields, blue

for the Jock and Rideau rivers and green for the green spaces in the rural, urban and suburban communities of NROCRC.

Happy Anniversary NROCRC! Wishing you another 25+ years doing wonderful work with the communities of Nepean, Rideau and Osgoode.

Season's Greetings

Ontario Electricity Support Program (OESP)

NROCRC is up and running, supporting an already large number of clients with their applications for OESP. The service began in November 2015, and we are expecting many residents to require our assistance.

NROCRC has two part time staff supporting clients with their applications and a 24 hour voicemail (613-596-5626 ext 301) to help residents with OESP needs. NROCRC's OESP intake workers can also be contacted by email at info@nroccr.org.

Shine a Light on our Youth

2015 Shine a Light on our Youth

The 2015 Shine a Light on our Youth raised over \$21,000 for NROCRC's youth counselling and programming.

Tickets for the **2016 Shine a Light on our Youth** are now on sale. They are a great purchase for stocking stuffers or as a gift for those hard to buy for individuals, all while supporting local youth programs.

Stay tuned for more details on our 5th anniversary event to be held on April 23, 2016!
